

How to connect to online conference on Webex platform

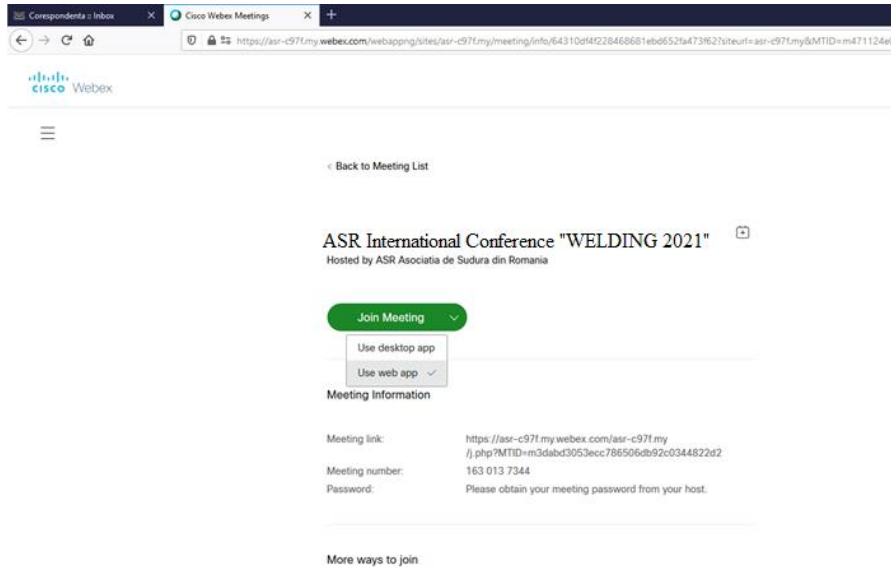

To be able to access the invitation to the video conference, click on the email with the invitation (see the pictures below)

Then click on the login link (see the picture below)

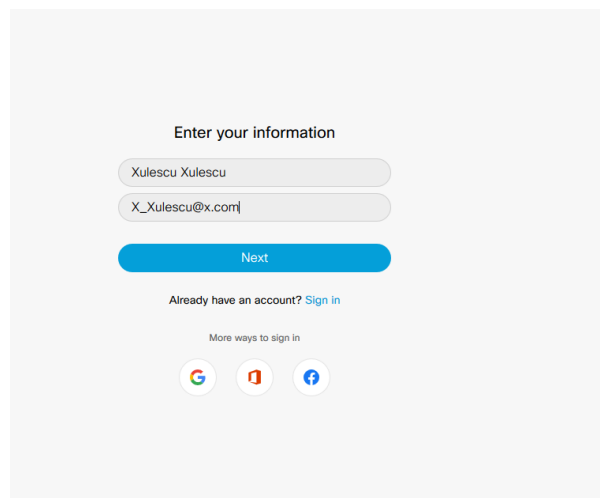

A new window will open in which you have to select the Join Meeting - Use Web App (see picture below) and then click on Join Meeting.

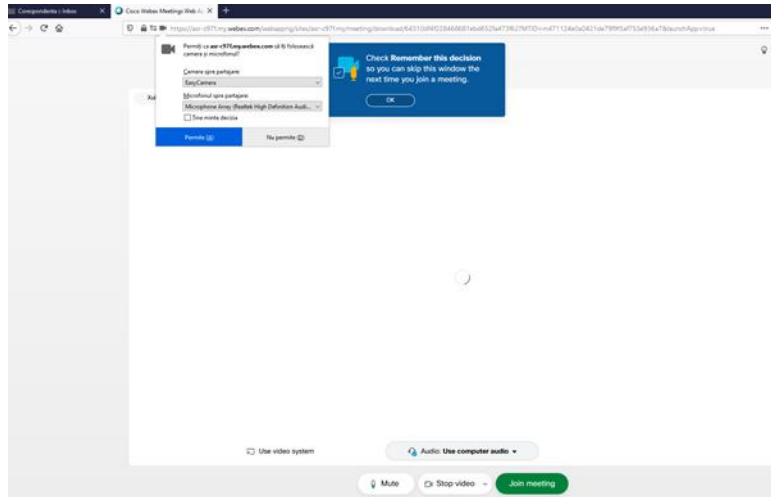

Next you need to fill in your details (Name + Surname and email address). You can see an example in the picture below.

As access to the ASR Conference "Welding 2021" is allowed only to persons registered for the Conference (by submitting the completed Registration Form to laura.veresezan@asr.ro) please use your real name to identify yourself for login on the Webex platform.

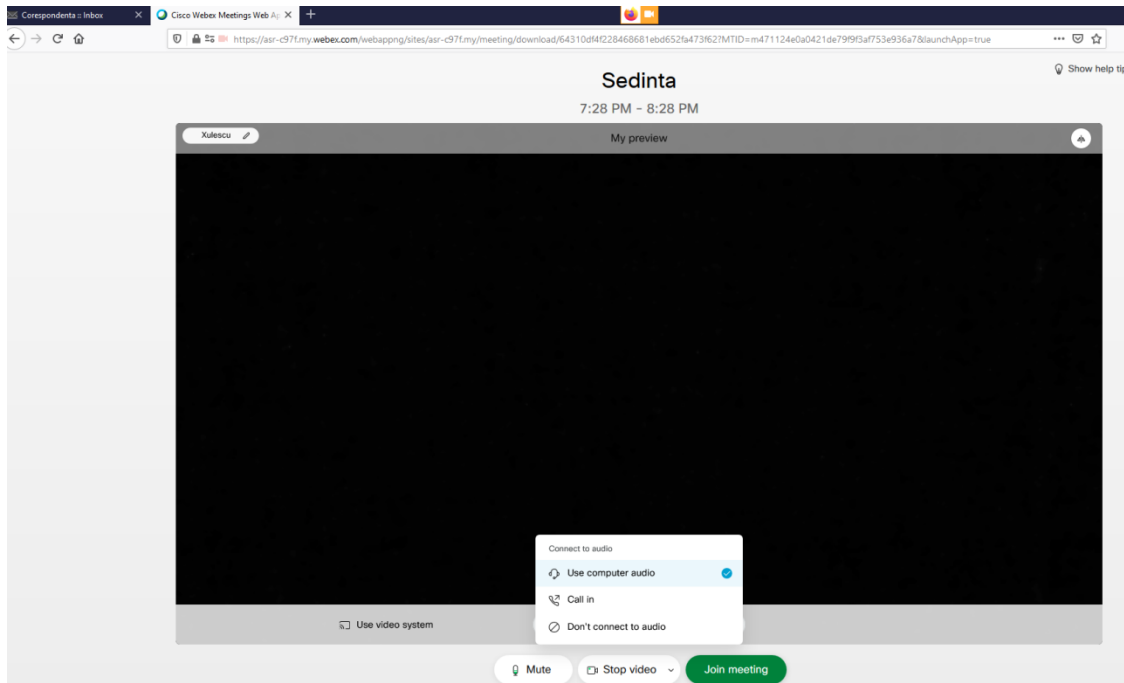

After that click on Next.

A new window will appear with permissions on the microphone and the camera - click on Allow (see the picture below, the interface differs from one browser to another, the image below may differ slightly from the image you see if you use another browser, in the picture Firefox was used)

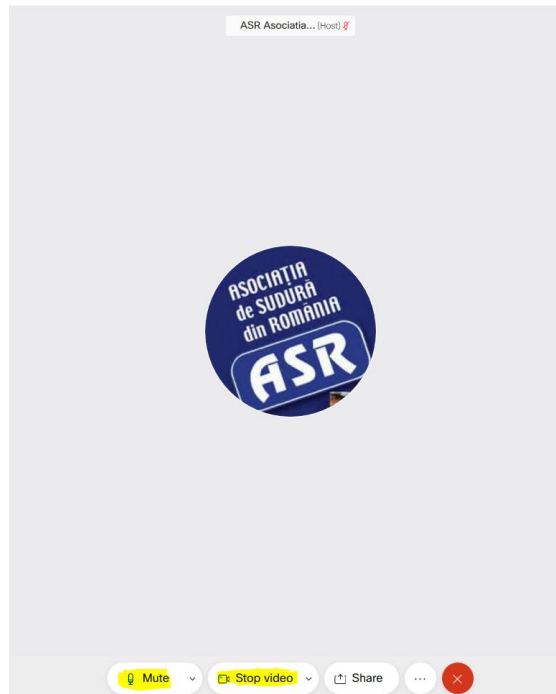

At the bottom of the page to Audio - select Use computer audio and then click Join meeting (see picture below)

The buttons for turning the microphone and the camera on and off are at the bottom of the new open window.

(see picture below)
